LATE COUNTRY NEWS.
BALLARAT.

A wireless installation has been established at Sebastopol by Mr. John Hopkins, of Albert-street. Exhibitions have been given during the week under the auspices of the mayor (Cr. Jones) and other local public men. The programme included concert items, vocal and instrumental. The performances were distinctly heard at a distance of three miles. The installation has been carried out on a crystal set. Mr. Hopkins receives daily from Melbourne by wireless weather forecasts and the standard time for the adjustment of clocks and watch.
